

**Dear Suffolk Educational

American Dental Offices has arranged a new dental plan in conjunction with the new leadership of Suffolk Educational Local 870. We are pleased to offer you a greatly discounted dental fee schedule that is as low as NYS Medicaid fees. Everything is covered!

These fees are greater than a 50% discount from NY Dentists Prevailing Fees. This fee schedule is only available at any of the 10 American Dental Super Centers listed in this brochure.

**Your New Plan Has:**

- No Deductions
- No Pre-existing Conditions
- No Maximum
- No Paperwork
- No Exclusions

American Dental has treated over 1 million New Yorkers in the past 50 years. They now have over 300 dentists, specialists, and paraprofessionals practicing modern dentistry in ten regional centers.

Family appointments are available for convenience as well as a 24 hour emergency service. All replacement teeth are “Made in America” at our NY laboratory.

***American Dental works closely with all plans.*** If you or your spouse has any other dental plan they can maximize your benefits when coordinated with our new plan.

***All members and their families are covered.*** Simply identify your membership in Suffolk Educational Local 870 when you make an appointment or mention our special group # 60870.

For good health we encourage you to make appointments for your family's 6 month check up and teeth cleaning.
